

God Richly Bless You on today,

I hope that this letter reaches you with the blessings of our Lord God.

I am reaching out to you with the conviction of someone who hears the struggle of leading God's children towards God's promises. It's always taught throughout the church that there is nothing that is impossible with the God that we serve (Philippians 4:13) ....so why can't it also be BELIEVED that it is indeed possible for us to be financially free (Deuteronomy 28:13)? Why can't it be UNDERSTOOD that our **God already provided us with the way** ...and that all we need to do is listen with an open heart and mind and apply what we learn. Amen? Amen!

Well, there IS something that you can do to help them become financially able, and it is with great joy that I introduce you to Make Wealth Real Financial (MWR). **MWR is making a tremendous difference in the lives of thousands of God's people** who are ALL our brothers and sisters in Christ Jesus nationwide Amen?! We are not just a business, MWR is a family that believes in the mission and the ministry of the Kingdom and its principles!!

Through MWR your ENTIRE congregation can be provided with the tools they need to become better stewards of their money using biblical principles. Much like other courses being brought to the ministry at extremely elevated pricing or needing complicated training for those who step up to implement to the members; **MWR provides unlimited access to Experts directly to the members.**

Imagine with even a smaller congregation of 100 members, where **only 50 choose to participate in this Financial Stewardship program**, get an average Instant Pay Raise of \$400/month in their paycheck. When they commit 10% of that to further the Kingdom, that would result in tax savings of \$20k for the congregation and an **increase in tithes of \$2,000 every month**. When they tithe, that is \$2,000/month to the church to fund church programs, missionary work, outreach programs, building funds, etc..., plus an additional \$6,000/month in guaranteed commissions for the ministry. **That's \$8,000/month to further the kingdom.** Those numbers may seem confusing without proper explanation, and we have that available for you.

Now with that said, I would like to be able to share more about this with you. This Financial Stewardship program has been **envisioned by people who also genuinely believed in God and His promises**. People who are diligent and true to their work. People who learned ways to make life a lot easier for all of us and would like to share it - **AND it is currently working in churches across the entire USA.**

Remember, if we know we can help and we don't, it becomes our sin that we did not. So here I am, reaching out to you, hoping that you will see through the intentions of my heart and my genuine desire to reach out and help you see this.

**Let me know if you would like to know more about this** and I would be very happy to hop on a call with you to answer any questions that you might have. I've even attached a video from my dear friend in ministry Gerald W. Parker.

I will be **looking forward to hearing from you soon.**

With God's love and Blessings and my warmest regards according to Romans 8:28,
